SVH — Follow Van

Full-Electric Follow Van. Off-grid. Ready to roll.

A silent, zero-emission camera car built for the set — pre-rigged, self-powered and crew-ready the moment it arrives.

Full-Electric

Silent EV drivetrain. No engine noise on takes, no fumes, city-permit friendly.

Off-grid

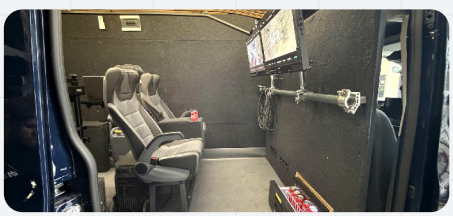
Self-sufficient onboard power. Shoot all day with no generator on the unit.

Monitors & cables on board

Pre-rigged cables and monitors included in the price — plug in and you are live.

Crew-ready cabin

Roof camera platform, comfortable crew seats and a full monitoring wall.



Pre-rigged. Off-grid. Ready.
